Dan MacKinnon is a Photographer/Fisherman from Montague PEI. He has been a photographer for the past 20 years. He studied Commercial photography at Holland Collage in 1985 and finished his Studies at Dawson Institute of Photography Montreal.

Dan worked for the PEI government as Assistant Provincial photographer for a period of time.

Some of his clients:

Over the years Dan has done many portraits and would be an excellent photographer for your next meeting, off-site, event or dinner.

How about adding a Photo Booth to your event?

Crown Printz Photo Booth

Crown Printz Photo Booth rentals offers the highest quality professional photo booth on the market today! The Photo Booth is the latest craze and addition to any event where people are gathering with friends, family, colleagues or just meeting new people.

The Photo Booth and enclosed area takes up about a 5'x 7' area. There also needs to be room for 2 prop tables and guests waiting to get their booth session.

How many people will the booth fit?

Unlike the traditional photo booth (that comfortably hold just 2 people, or maybe squeeze in 3 or 4 people), our photo booth will comfortably fit from 1 to 10 people, and maybe even more! *(One event we had 14 in the booth at once!!)

Does everybody get a copy of their photo strip?

Yes! If 8 people go into the booth to get their pictures done, we want to see 8 people take their own photo strip home as a memory of the event!

Do guests pay anything?

Absolutely not! The hosts of the event have paid the fee for the hours of the rental. It is for the guests use at no cost. We offer a few different holders for the guests photo strip if they want to protect it from damage, or put it on their fridge. But this is only if the guest chooses to purchase it.

Do I pay for set up/breakdown?

No. If your event is from 6PM to 10PM we will have the booth set up before 6PM and not begin breakdown until after 10PM. The 4 hours of rental means your guests get to use the booth as much as they want, as many times as they want, for the entire 4 hours.

What about customization?

The last frame of the photo strip, called Footer Printz, can be used for your personalized graphic or logo. Let us know if you have a monogram, logo or picture you'd like us to use, or we can work with you to customize a graphic to suit your event. We can also customize the background of the photo strips and 4x6 to suit your needs. Pick a color, pick a theme, use a photo (hearts, flowers, puppies, whatever you want!).

How long should I rent the photo booth for?

A small group like a private birthday party would be suitable for 2 – 3 hours, but at a larger event you want to make sure that everybody gets a chance to use the booth at least once, or more! A wedding should be a 3 – 4 hour rental.

Is there always an attendant with the booth?

Our attendant will be on hand throughout the event to assist guests with the use of the photo booth, make sure the booth operates properly and to help with props and posing ideas. It is the attendant role to make sure your rental goes as smoothly as possible, and is as fun and exciting as can be! There will always be at least one attendant and sometimes two attendants will be on hand. This will not affect the cost of the rental.

Can I see the pictures online?

These days with Social Media everybody loves to see their pictures instantly online! The best option for this is to have Facebook included in your rental. I personally think this is one of the best and most exciting features of the Photo Booth. Also, we can upload all photos and videos to SmugMug for everybody to see. You have the choice to have your Gallery made public or private. If you prefer a private gallery, we will provide you with a password that you can give your guests to access all the photos from the event.

Where is the best location to set up the photo booth?

Ideally the best location is in the room your event is taking place, preferably in a back corner out of the way of main traffic flow. We don't want to block any exits or doors leading to the bar or food preparation area. Close to an outlet is ideal. If the photo booth cannot be accommodated in the room, the next option is the lobby. If you have the Video Message option included in your rental, the best placement would be far away from a band or DJ, so that the music will not be too loud so that you cannot hear your guests Video Message.

Are there any hidden charges?

There are no hidden charges. There are additional options and services available that are at an additional cost. These options and services will be discussed prior to booking and outlined in the agreement.

What if I need to cancel?

It is unfortunate that at times there may be a need to cancel. You may cancel at any time, but the \$250 deposit is non-refundable.
