

Down East

Points East Coastal Drive

Nothing will make you appreciate Island cultural and culinary experiences more than a visit "Down East" to our beautiful coastal tourism region. Pure Prince Edward Island is nowhere more apparent than when you visit Points East.

Imagine hosting a meeting at one of our spectacular resorts. From the Rodd Crowbush Golf & Beach Resort in Morell with space for 200 to Montague and the new Lane's Riverhouse with space for 100 and overlooks the Montague River & Marina.

After your meeting delegates can work up an appetite, walking on our beaches where the sand at Basin Head actually "sings to you" or discovering the spectacular dune system at the PEI National Park at Greenwich.

When hunger does hit, eateries, seafood restaurants or lobster on the beach or Chef Michael Smith's The Inn at Bay Fortune are all close by. If you are looking for something to sip on instead, Points East Coastal Drive is also the wine and spirit capital of Prince Edward Island.

Over nineteen authentic experiences, multiple artisan shops, twelve golf courses, four Towns and many small communities all offer an atmosphere that will make your delegates feel like they are one of the family.

Book a meeting Down East, you will not be disappointed.
