

## East Coast Security Services Inc.

### Your Benefits:

- 24/7 – whether you are across town or across the country, we are available to discuss your requirements anytime, day or night
- Island-wide – we provide security services for events across the Island
- Pre-Event Consultation and Security Survey - We listen closely to our clients so we can deliver unique but practical “outside the box” solutions customized to each unique requirement.
- HR Savings - Our services allow for the redeployment of your staff to focused event functions
- Supervision & reporting – our services include on-site supervision and written activity and incident reports

East Coast Security Services Inc. (ECSS) is proud to provide uniformed and licensed security guard services for Meetings & Conventions PEI clients. **YOUR SECURITY IS OUR BUSINESS.**

#### Event Services:

- Registration & accreditation of guests, attendees & exhibitors
- Information & reception services
- Overnight asset & exhibit protection
- Access control
- VIP Protection
- Set up and tear down monitoring

East Coast Security possesses Designated Organization Screening (DOS) from the Canadian Industrial Security Directorate (CIDS) which allows ECSS to apply for and hold personnel security screenings for employees in relation to our involvement in Government of Canada contracts that contain security requirements.

ECSS has been supplying short and long term services to public and private sector clients in Charlottetown and from one tip of the Island to the other since 2002. Its owner's and management's portfolios offer invaluable career based security service and project management experience.
