Ernie's Charter Fishing

Ernie's Charter Fishing is Prince Edward Island's ultimate Bluefin tuna and deep sea fishing charter! Whether it's battling a thousand-pound tuna or going deep sea fishing, we have the adventure for you!

Being based out of beautiful North Lake Harbour in eastern PEI, we have the privilege to be located less than 10 minutes away from both East Point Lighthouse and Basin Head beach. This allows for an ultimate day trip!! For example, you can go fishing with us in the morning, have your lunch at East Point Lighthouse at noon and then relax on Basin Head Beach for the rest of the day before you head back to your accommodations for the evening!

Perfect!

We are pleased to offer three different types of fishing excursions:

- Deep Sea Fishing
- Bluefin Tuna Fishing
- Group/Family Private Charters
