Fairways Cottages is a family owned and operated chalet resort business located in the heart of the Cavendish Beach Resort destination heritage zone. Three sides of the resort is surrounded by the National Historic Site, Lucy Maud Montgomery's Cavendish Home (author of Anne of Green Gables), across the road is the National Park Historic Site of Anne of Green Gables House, Museum and Walking Trails, as well as Green Gables Golf Course, and just a short 1km hike along a wooded walking trail are the breathtaking Cavendish beaches. With fifty-two established tourism product partners, we specialize in vacation & meeting customized packages to suit your individual needs. Whether visiting with us for a pre or post city centre meeting/conference, a romantic get-away, a family reunion, a cycling & hiking excursion, a golf vacation, a beach vacation, or a corporate meeting or retreat; we guarantee you a superior experience. Our ideal central location, our attention to exceeding our customers' expectations and our established seamless packaging experience set us apart.

Additional Information:

Fairways Cottages host numerous small corporate and government meetings historically up to 40 delegates as well as corporate incentive groups of upwards to 90 delegates. Our central Cavendish Beach Resort destination location lends itself to ease of access to all the destination offerings. While, at the present time, we do not offer meeting space at Fairways Cottages, within walking distance is the Cavendish Conference Centre and the Marco Polo conference centre, of which we utilize on numerous occasions. We also utilize an excellent partnership with Glasgow Hills Golf Resort meeting space and under construction is new meeting space located at Eagles Glenn Golf Resort. We offer the client a one-stop shop serving as their DMC. With fifty-two solid industry partners including transportation our systems are seamless for the meeting planner.
