Island Hill Farm

Island Hill Farm is a commercial dairy goat farm, opening our doors to the public. We milk our herd twice a day and use the milk for our goat cheese and soap. We have 8 different breeds of goats, with a total herd of over 100. A miniature donkey, alpacas, potbelly pigs, with a variety of hens and bunnies to handle and love. Rain or Shine venue. No reservations needed just come during open hours.

UNIQUE GROUP ACTIVITIES

Have our professionals at Island Hill Farm run a yoga class for your group or engage in a group goat milking adventure! Unique group activities your delegates won't soon forget! Team Building experiences are available. Outside food and beverages is permitted.

Goat Milking + Detergent Making

- Spring & Fall
 - \$69 per person
 - 2 hour activity
- Attendees are shown how to milk the goats and with the collected milk taught how to make goats milk detergent.*
Included in this activity is a Farm Tour and Snack.
