Dates of Operation:

May 15 to Oct. 15

Special Features:

Undulating fairways, water holes with a wisp of wind, pot bunkers and challenging greens all come together to provide you and your delegates with an experience not to be forgotten. Of all the courses that are considered a "must play", Crowbush is certainly one of them. In fact, your group will want to go out twice; first to discover the intricacies of this links course and the second time to head out with strategy and conquer the course.

As you climb to tee off on #11, take a moment to gaze out over the dunes on the north shore of PEI, then observe the blend of traditional design and setting coupled with modern construction as the course stretches out below you.
