Music PEI is Prince Edward Island's Music Industry Association. Our mandate is to foster and promote Island artists and to assist in advancing their careers in the music industry.

### **Group Services Details:**

Music PEI has an active membership list of over 350 Island performers in all genres of music. Entertainment suppliers can provide anything ranging from Kitchen Parties to Big Ballroom

Dances, background music for meals or receptions with classical string or jazz ensembles or many other options featuring original music by our internationally touring artists or covers by local bands. Music PEI is happy to facilitate entertainment for your conference or event.
