Nortons Jewellers

Nortons Jewellers always has the perfect delegate gift, in-room gift or attendee prize for your delegates!

Fred and Lois Norton opened the doors of Norton's Jewellers in 1974 – bringing with him over 30 years of experience in jewellery and watch repair, serving the Island community.

It is not unusual to not find exactly what you have in mind in our showcases! Whether you want to modify a design or create one from scratch, we have the team to guide you through the process, and the skilled artisans to execute your vision. It is important that your jewellery fits your personal style and taste.

Our Sales Professionals strive for a consultative and engaging experience with the objective of finding the perfect piece for jewellery which suits your needs and budget. Several of our team are GIA Certified, so none of your questions will go unanswered. We also have in-house designers who can help you create the design of your dreams.

Norton Jewellers is found in Confederation Court Mall - 160 Queen St. Charlottetown, PE C1A 4B5.
