### What is PEIBWA?

As a member of PEI Business Women's Association (PEIBWA), you belong to a dynamic network of women empowered and inspired to succeed. You are part of a provincially and nationally recognized non-profit organization with a strong voice for women entrepreneurs and business professionals, a solid reputation for assisting women in business, and a large network of services, skills, and resources to help you start, grow, and connect your business.

### Join the PEI Business Women's Association

Whether you are launching a business in the heart of the city or expanding operations somewhere on a country road, your ability to access resources, training and networks – when you need it and where you need it – will be critical to your success. PEIBWA will help facilitate your journey through the steps of starting or growing your business.
