### The PEI Crafts Council - "Centre for Craft"

is a fantastic new location which helps to promote fine craft and professional craft development in the province of PEI. The PEI Centre for Craft is the central point for all things craft related on Prince Edward Island. Delegates can come in to see a wide range of local culture expressed through various mediums of craft. The centre features a gallery which showcases the finest examples of craft that Island artists have to offer.

### The PEI Crafts Council: Supporting creative entrepreneurs since 1965

Prince Edward Island, Canada has long been celebrated for its strong sense of place. Historically, Islanders have been a self-sufficient people who respect and appreciate the traditions of the past. The Prince Edward Island Crafts Council was formed in 1965 to represent the handcraft sector on the Island, and was incorporated as a not-for-profit organization in 1975.

### Our Mission:

The mission of the Crafts Council is to promote the making and acceptance of quality handcrafted items through the provision of programs and services; to encourage and assist those who are creating and producing the future heirlooms of Prince Edward Island.

The PEICC invites you to stop in, browse and support the artisans in the craft sector.
