TIAPEI is a non-profit, member based organization that works to promote the growth and development of the Island's important tourism industry. The Association represents and provides services to about 500 businesses and organizations throughout Island communities. TIAPEI's Board of Directors reflects the diversity of the Association's membership and of tourism itself.

### Special Features:

TIAPEI administers a full range of programs and activities designed to support and advance the goals of members. A small sample of these activities include: training and education programs designed to enhance professionalism and overall performance, technology initiatives, and lobby efforts with all levels of government.

### Member Benefits:

- Telephone Rate Programs and Services
- Credit Card Merchant Discount
- Insurance Coverage-Commercial, Auto, and Home
- Business Products
- Preferred Car Rental Rates
- Petroleum Product Pricing

In fact, TIAPEI is involved in just about any issue that impacts visitors to our beautiful province. We hope you will have a truly pleasant visit with us and a successful conference.
