

Up West

The North Cape, or "Up West" is home to some of the most breath-taking vistas on Prince Edward Island – a picturesque place where rolling emerald hills give way to rugged red cliffs, and winding dirt roads lead to pristine sandy beaches. It is also home to the world-famous oysters that have earned them the title, The Canadian Oyster Coast.

However, fresh seafood is not the only reason to visit the North Cape; they can host great meetings. A full service resort like Rodd Mill River (with 7 meeting rooms and 90 guestrooms on site) can look after your entire conference while your delegates can enjoy all that the western side of our Island has to offer.

Attendees can choose from historic locations like at the Canadian Potato Museum, Green Park Shipbuilding Museum or the PEI Shellfish Museum. Cultural festivals like The Tyne Valley Oyster Festival, the Tignish Irish Moss Festival, the Clammin' N' Jammin' culinary and music festival in Abram-Village, Oysters on the Pier, or Lobster on the Beach.

Up West will host a meeting that delegates won't soon forget. Contact us to find out more!
