Speaker Topics: Continuous Improvement Series Leadership 2.0 *From Habit to Hungry*

With a dominant industry background in tourism, consumer products, the food industry and international trade, Ann Worth has served in various leadership positions in the private and not for profit sector evolving to establish her own professional consulting business WCG in 2005 . Passionate about seeing people succeed, Ann delivers solutions to Conference and Meeting Planners in multiple ways including Conference Management, Site Selection, Revenue Generation, Program and Relationship Development. As a conference speaker, session facilitator and workshop leader, presentation topics include amongst others;

- Key Influencer Alert: WOW Conference Experiences designed by YOU!
- Leadership Think Tank: What's In Your Tank? Reflections for the Fearless
- Balancing a Life: It's in our Nature. Inspiration from the Great Outdoors
